

## Announcements August 2, 2020

### Communion Sunday

Please prepare your heart for the Lord's Supper this Sunday. It will be served at both the Indoor and Outdoor Worship Service. If you are unable to participate in communion at church due to health or other issues and would like to receive communion, please contact either Pastor Doug ([doug@peacepca.org](mailto:doug@peacepca.org)) or Pastor Ken ([kenl@peacepca.org](mailto:kenl@peacepca.org)), and one of them, along with some elders, will come and bring communion to you.

### Outside Worship Service Help Needed

Each Sunday volunteers have come early and stayed late to help set up and take down the chairs, sound system, tents, and other items for the 8:30 Service. We wanted to make sure everyone had the opportunity to serve. At present, there is a total need for 8 people each week. If you would like to volunteer please sign up at [www.peacepca.org/outdoor-help](http://www.peacepca.org/outdoor-help).

### Out of LOVE & CONCERN

As Wake County continues to have many COVID-19 cases, we would like to ask you **not** to attend either the outdoor or indoor services if you had a fever or elevated temperature within the last 48 hours or have been in contact with someone who has been diagnosed with COVID-19 within the last 14 days. Out of love and concern for your brothers and sisters in Christ, please stay home if you are sneezing, coughing, or have other COVID-like symptoms. We still strongly encourage wearing a mask at both our outdoor and indoor services.

### Volunteer Need - Can YOU help?

Volunteer without leaving your house! The special operations team of the deacons is looking for someone, possibly with HR experience, to help develop a Peace Church employee handbook. **Is that you?** Please contact Tom Hornack, [hornackt@gmail.com](mailto:hornackt@gmail.com), with your questions and interest.

### Footsteps Homeschool Group

The Footsteps Homeschool Group will be hosting a night with Lynn Custer on **Saturday, August 8th at 6:30pm in Fuquay-Varina**. Whether you are new to homeschooling, just thinking about it as a future option, or are a veteran homeschooler, we would love to have you join us in Lynn's backyard. Space is limited and the event will be streamed as well. Please email Elizabeth Parise ([1parisefamily@gmail.com](mailto:1parisefamily@gmail.com)) or Carey Randall ([careyplessrandall@gmail.com](mailto:careyplessrandall@gmail.com)) for more details or sign up at [www.peacepca.org/footsteps](http://www.peacepca.org/footsteps).

### Printed Directory

Earlier this year we launched our online directory and now want to offer a printed version. If you would like one, please contact Andrea at [andrea@peacepca.org](mailto:andrea@peacepca.org) or **919-602-1377**. If you would still like to sign up for the pictorial directory, go to [www.peacepca.org/directory-update](http://www.peacepca.org/directory-update). In a few weeks, we will distribute printed directories to those that requested one.

### **"One Another" Sunday School - ENCOURAGEMENT by Dale Walley**

This week learn more about "Encouragement" in our Summer Sunday School Series at [www.peacepca.org/media/sunday-school-adult](http://www.peacepca.org/media/sunday-school-adult).

#### **Peace Texting**

Text **ATTEND** to **919-444-8230** (Register that you attended our Worship Service)

Text **PRAY** to **919-444-8230** (Prayer Requests - please let us know if private or for Peaceline.)

Text **JOIN** to **919-444-8230** (Join our text announcements)

#### **What if I test positive for Covid-19?**

The Indoor Worship Service Planning Team wanted to make you aware of our new confidential form on our website for reporting your positive COVID diagnosis. The form goes to two elders and one deacon only. If you are diagnosed with COVID-19, please fill out this form at [www.peacepca.org/diagnosis](http://www.peacepca.org/diagnosis) so that we can take appropriate action. Your identity will be kept private, and your disclosure may enable us to consider additional sanitizing and communications to affected persons. As always, any person with respiratory symptoms (fever, cough, difficulty breathing) is asked to remain at home and seek medical advice/treatment.
