

Wreath Making Class

Join us to make your very own beautiful Christmas wreath on **Saturday, December 4**. We will be meeting in the **Peace Fellowship Hall** from **10 am to 12 pm**.

You can choose one of two options (see details below):

- Partial Wreath Kit (\$20.00)
- Full Wreath Kit (\$35.00)

*Partial
Wreath
Kit*

Customize
with your ribbons
and other accents.

*Full
Wreath
Kit*

ALL ribbons
and accents
supplied.

Partial Wreath Kit (\$20.00)

Peace will provide the wreath base, decorative accents for your wreath, and wires for bow tying.

PLEASE BRING:

- Glue gun or pan with extra glue
- 10-12 Non-breakable ornaments- 3D shapes work best!
- 8-10 yards of WIRED ribbon width 1.5"-2.5"
- One pair of scissors

Full Wreath Kit (\$35)

Peace will provide the wreath base, decorative accents for your wreath, ribbon (red/black buffalo check - above photo), wires for bow tying, and ornaments. All full wreath kits will be in a Lodge color scheme. Items supplied may vary slightly from those pictured.

PLEASE BRING:

- Glue Gun or pan with extra glue
- One pair of scissors

Resources

Find ideas on what decorations work best for wreaths and where to find them.

Glue gun or pan

Looking for a new glue gun, check out these options: [Walmart](#), [Hobby Lobby](#), [Michael's](#), [Joann Fabrics](#)

Ornaments

Most everywhere have ornaments these days! My favorites are At Home, Hobby Lobby, and Walmart! 3-D shapes work best in sizes larger than 2" diameter. Most places also have sets in coordinated colors. Just make sure they are NON-BREAKABLE, not glass!!! Please don't bring family heirloom ornaments as we will be GLUEING items into our wreaths which may make them unfit for further use.

Ribbon

Ribbon is pretty ubiquitous as well! My Favorites are Hobby Lobby, Michael's, and At Home. Please make sure to bring WIRED ribbon in size 1.5"- 2.5" width. Check the length on the ribbon flange- you will need up to 10 yards (30 ft).

Accents

Peace will provide decorative accents such as leaves, berries, "springs" (fun decorative items), and cones in basic colors (gold, champagne, red, natural). If you wish to bring your own decorative stems to add to your wreath you are certainly welcome to do so! Just be sure to bring a heavy-duty wire cutter to cut your stems to a usable size.

Questions about the wreath class, what to bring or anything else? Please contact Suzanne Tarry.
